BACKGROUND

This amendment programs \$61,000 in Regional Improvement Program (RIP) funds from Humboldt County's Unprogrammed Share Balance in FY 2002-03 for the acquisition of one (1) seven-passenger minivan, and one (1) fifteen-passenger bus to provide transportation service for the Bear River Band of Rohnerville Rancheria Community.

Currently, there is no public transportation serving the Reservation. The Tribal Council has no vehicles for transporting elders, youth, and Tribal Members to medical services, government services, schools or colleges, and Tribal and Reservation cultural community-related activities and events. Tribal Members have limited access to medical care in Fortuna through United Indian Health Services. Access to vision, dental, mental health care, and laboratory facilities are limited, as they are located in Arcata.

The purchase of these vehicles will provide much needed public transportation services for the members of the Bear River Band of Rohnerville Rancheria Community. This project is consistent with *The Bear River Band of Rohnerville Five-Year Strategic Plan December 2001*.
